

Wellcome to Sweden, Kristinehamn! 26-27-28 June 2015

Next year it's Sweden hosting the Nordic- and Baltic Championship and we are very happy to welcome you all.

It's easy to reach the venue, Kristinehamn, for all of the countries.

From Oslo 260km

From Helsingfors 750km.

From Copenhagen 540km.

From Tallin 740km.

From Riga 810km.

From Kaunas 1070.

The race area was earlier the home of Bergslagens artillery regiment who left the area in the beginning of the 21st century. The track goes across the old military training area where narrow carriageways twist though the landscape were the main point of the tracks are.

The race is going to be centralized which means that you can walk to every facilities on the race area as living, food and boxes for the horses.

To do the race more attractive for the audience the first track is going to be ridden 3 times and pass the grooming area. The trail contains two uphill slopes with 50 meters difference in altitude.

Loop 2-4 are traditional tracks mainly on small bend tracks

and on gravel

roads with grass in the middle. There are a few areas with some difficulties with stones and marsh but they shouldn't get any big difficulties more than that the riders have to take it a bit careful. A few roads are asphalt. The tracks lowest point is 48 meters over sea level and the highest is 165 meter over sea level.

If you have any questions do not hesitate to mail us.
